

Ballot 4B- Part 1

In Ballot 3, the Citizens' Assembly decided that Article 40.3.3 should be replaced with a constitutional provision that explicitly authorises the Oireachtas to legislate to address termination of pregnancy, any rights of the unborn and any rights of the pregnant woman.

This Ballot will provide the recommendations of the Citizens' Assembly to the Oireachtas about what should be included in legislation. Specifically, it will provide the recommendations of the Citizens' Assembly as to the reasons, if any, for which termination of pregnancy should be lawful in Ireland, as well as any gestational limits that should apply.

In respect of each of the 13 reasons listed on the left-hand side below, please indicate your recommendation by placing an X in **one** of the five boxes.
